The qualifications for a Kindness Closet are simple!

- 1 – The school for which you are applying is a public school
- 2 – The school has an available closet/space which is available to the students, which can be private but not in an area which is “closed off”. (We might suggest in the nurses office, a library nook, unused janitor closet, or a bookshelf in the cafeteria)
- 3 – We will need to speak to the principal/head master in charge prior to any supplies being sent
- 4 - By applying for this donation, you agree on behalf of the school to submit 3 photos of the area prior to the redesignation of the Kindness Closet, and 3 photos after the supplies are stocked. (No pictures showing students are acceptable)
- 5 - The school to allow The Wallace Volatile Foundation to mention your school on the website and to our donors in our end of the year letter of appreciation.
